Backed by the Proven Seed Performance Promise®

Invest in Proven Seed and have confidence your investment is protected by the industry's leading guarantee. The Proven Seed Performance Promise gives growers the opportunity to replant forage plantings at half of the original invoiced cost in the case of failure.

Coverage under the hps® brand

Developed for our forage seed products, the hps brand is the common seed line from Nutrien Ag Solutions. It provides forage growers with coverage under the best warranty in the industry and the same high-quality standards as our certified seed.

Quality assurance

When selecting seed lots for our forages, careful consideration is taken to ensure you have the highest level of success possible. Proven Seed forages, including Master Blends and hps-branded varieties, conform to the rigid purity standards of less than 10 weed seeds per 25g.
