PV 62282 RIB

PV 62282 RIB brings very strong yield potential under a wide range of growing conditions. Excellent plant health and stay green characteristic gives this hybrid exceptional late season standability. Superb early vigour and strong roots make this a great multi-purpose Proven® Seed hybrid in grain, silage and grazing applications.

HIGHLIGHTS

- Very strong yield potential while performing well under a wide range of conditions
- Very good roots and excellent stalks
- Excellent plant health, stay green characteristic
- Excellent seedling vigour

YIELD	Exceptional yield potential and great grain quality; 103% of Dekalb® 33-78 RIB <i>(adjusted to 15.5% moisture content)</i>
MATURITY	2350 Corn Heat Units (82 CRM)
DISEASE PACKAGE	Good tolerance to Goss's Wilt
STALK STRENGTH	Strong stalks and roots
HEIGHT	Moderate-Tall
